Hello Franchisees,

Recently there have been multiple articles and PR new releases surrounding "Oakwood Apartments" recent decision to notify tenants that guns will no longer be allowed on the property, and have been given until Oct. 1 to disarm or face eviction.

The Oakwood Apartments this refers to is a specific community in Castle Rock, CO and not in any way affiliated with Oakwood Worldwide.

The attached statements are for responding to phone calls and emails you may receive questioning these statements. It's important to respond if you do receive an inquiry so that we can protect our reputation.

Additionally, please notify myself or Sharron Saunders directly if you do receive any such inquiries so we can use your valuable feedback to modify our approach, if needed.

Please contact me, or Sharron at ssaunders@oakwood.com with questions. Thanks!
